Memo

All Local 30 Members at California Service Center**

From: Walter Allen, Jr., Executive Director

Re: Contract Ratification

Please be advised that the ratification meetings held last week for the National Agreement covering all Local 30 members in both the KP/ San Diego and California Service Center (CSC) units, including both local agreements was passed unanimously by those members present and voting. More than 600 Local 30 members came to the meetings held in San Diego to cast their ballots.

Our Union was among the first in the Coalition to conduct ratification meetings and as a result there are still a number of Unions yet to vote the package so no further information is available at this time. We will pass along the overall results when they become available.

Congratulations to all of our negotiating committee members who worked hard to bring this package forward and gain the support of the membership for it.

In unity.
