

4 West Pediatric Rainforest Unit

Local 30 is always looking for opportunities to assist our members as well as their families. Recently the Local was made aware of the fact that the 4 West Pediatric Rainforest Unit at the Zion Medical Center is in need of new DVD's for its patient rooms and the play room. They are also in need of Wii systems that will be placed in patient rooms for the use of pediatric patients and their families while hospitalized (some on chemotherapy).

Their need is our need; it supports our patients, our members and employee families who may have to utilize our facility. For every dollar donated by our members for this cause Local 30 has agreed to a dollar for dollar match to that donation.

Funds received will be used to purchase as many Wii systems, games and DVD's as possible. A presentation of these gifts will be made to Dian Doyle, DA at the upcoming Local 30 Awards Banquet on March 28th. So hurry, lets all work together as a team to support this worthy cause. The last day for donations will be Friday, March 20th.

Make checks payable to Local 30 or give cash donations to the assigned members: Maria Perez, Katie Doyle, Sue Smith, Larry Petrea and Cathy Young.
