August 29, 2007

Dear Local 30 Steward,

Our next KP Steward's Training Seminar will be held on Tuesday, September 25, 2007, at the Handlery Hotel in Mission Valley. The reason for this special notice is to encourage ALL of our stewards and other leaders to plan to attend this important meeting.

In addition to updating you on our Unit Based Teams and our progress on our other initiatives, we will also be discussing our upcoming contract reopener, the state of KP's business, new advertising, and Health Care issues in general. To help lead some of these discussions we will be privileged to have as our special guest John August, the Executive Director of the National LMP.

I have asked our staff to make arrangements for a larger group. While space will not be an issue, getting released from your department may be. Therefore, this notice is being sent even earlier than usual in order to give our members plenty of time to accommodate all requests. In the event any member is denied the day off to attend I would ask they contact their Business Agent as soon as they are denied.

Every meeting of our Union is important. Certainly all meetings for stewards and leaders of Local 30 are very important for those leaders to have the information they need to then inform our members. This meeting will be a full day of very important information sharing. Stewards will not want to miss it.

Thank you for your service to your fellow members and for your support of our great Union!

In unity,
